The following is a suggestion of some work you could do for the week ahead.
You may not have the time to do all this and that's ok.
Mind one another and be kind!

SESE-

History:

Have a look at the powerpoint about Florence Nightingale. (double click on picture to open)

I have attached a timeline for you to construct.

Geography:

Let's look at the counties of Ireland. (map attached)

In what county do we live?

Can you find where on the map of Ireland?

What counties are our nearest neighbours?

Have you been on holidays to any other counties?

Have a look at p 70 of your Small World Book. Have you visited any of these places?

I think I'd like to go to Carlow!

Can you name all the counties and colour them in. (worksheet attached)

Science:

I know you all love experiments!

Here's a science experiment that you can do in your kitchen.

All you need is:

1 raw egg

A clear glass or glass jug
Enough white vinegar to cover the egg

Leave the egg in vinegar for two days. Vinegar is an acid, so over time it will dissolve the calcium carbonate in the egg shell. Calcium is what makes the shell hard.
Have a look at this link to see what you can do with your egg. (double click icon to open file)

Smoking and Cigarettes

Smoking involves consequences, some of which are perceived by children as positive and others negative. It is helpful to reflect on these consequences before children are at an age when they have to make these decisions

I have attached a file for this lesson. It includes discussion ideas, a picture to discuss and a worksheet to complete.

Religion

Can you sequence the Mass?

Check this link out https://app.growinlove.ie/interactives/2nd_sequencethemass/index.php

When we gather together at mass, we give thanks and praise and glory to God. We honour Jesus, God's only son. Let us remember the words that the angels said on the night that Jesus was born, and the words that the crowds said when they welcomed him to the city of Jerusalem.

"Holy, holy, holy Lord, God of Hosts,
Heaven and earth are full of your glory.

Hosanna in the highest.

Blessed is he who comes in the name of the Lord.

Hosanna in the highest."

Music

Have a listen to this story. I think you'll like it!

Art and Craft

Can you make a Wonky Donkey like this one?

Continue to play with all those lovely toys. With the weather improving you will be able to play outside.

Joe Wicks and Go Noodle have great indoor activities just in case it is wet!

Stay safe and hope to see you all soon!
