

Work for 5th & 6th class week beginning Monday 11/5/2020

Hello everyone,

I'm sure you all enjoyed the beautiful weather last week. 6th class - I hope you all had an enjoyable day on Friday. This week I've broken down the work into suggested amounts that you can complete each day or you can double up on the work over two days if you prefer. I've listed the work on this page and I've also included four extra attachments with some extra information to help you complete your work.

Keep up the great work,

Carmel Thorpe

Monday

English:

- SNIP literacy week 23 page 31 (**practise** is the verb when spelt this way e.g. I have to practise my music every day. When we spell it **practice** we are talking about the noun e.g. Football practice has been cancelled due to Covid 19.)
- Starlight 12a: Dictionary work for the following words: references, template, grain, prone, imported, distinctive, copying lathe, preserve and season
- Read 'How to Make a Hurley' and answer part A questions 1 - 5

Maths:

- Mental Maths : Monday, week 32 page 64

5th class:

- Estimate and then measure the height of your kitchen door, the length of your kitchen table, the length of your maths book and the length of a window.
- Busy at Maths: pg. 97 q. 2
